GOTS 7.0 Conformance Confirmation

To whom it may concern,

This is to confirm that **Matrix Specialty Lubricants** trade products listed below:

1. Soluble Textile Oil TX 87
2. Soluble Textile Oil TX 90

have been assessed and approved according to the Global Organic Textile Standard (GOTS) Version 7.0.

The Assessment is carried out based on the current version of the Safety Data Sheet (SDS) and further product documentation provided by the supplier. **Matrix Specialty Lubricants** is responsible for the correctness and completeness of provided data as well as for the continued compliance with the applicable criteria of GOTS.

This confirmation is valid at the lasts until the issuance of the official Letter of Approval, expected within 3 months after the approval of the raw material to GOTS Version 7.0. Ecocert Greenlife can withdraw this confirmation before it expires if the declared approval is no longer guaranteed.
